**IDDI Head office,**

Avenue Provinciale, 30, Louvain-la-Neuve, 1341, Belgium

Dear Hiring Manager,

Ref: Biostatistician

I am writing to express my interest in the Biostatistician position available on your website. I have an MSc. in Biostatistics (UHasselt) and a PhD in Statistics (KU Leuven). I have worked as a statistician in the pharmaceutical, medical research and academic areas where I have gained skills that will be useful for the roles listed for this position. I am interested in joining your esteemed team so I can play a part in your vision of advancing your supporting clients to accelerate delivery of their drugs and ultimately improve people's health.

I have a strong understanding of statistics from my training as well as my past experience. I am also flexible and eager to learn and apply newer statistical methodologies as this specific position may require. I have transferable skills like preparing statistical analysis plans, setting up, monitoring and analyzing medical and pharmaceutical projects that may be handy for this role. I am proficient in SAS and R statistical softwares. I would be delighted to expand my skills at IDDI to play a part in improving people's health across the globe.

Accompanying this letter is my CV which enumerates skills that are relevant for the role. I would be delighted to be considered for an interview to learn more about this position and share my motivation for working with your team.

Sincerely,

**Maaya, Leonard**
