**UNIVERSITY OF ANTWERP BELGIUM,**  
Antwerp Belgium

Dear Hiring Manager,

Ref: Visiting Tutor Statistician

I am writing to express my interest in the visiting tutor statistician position available on your website. I have an MSc. in Biostatistics (UHasselt) and a PhD in Statistics (KU Leuven). I have worked as a statistician in the pharmaceutical industry and also have transferable experience from medical research and academic areas where I have acquired skills that will be useful for this role. I am interested in joining your esteemed team so I can play a part in your mission of facilitating scientific research at the university.

I have a strong understanding of statistics from my training as well as my past experience. I am immediately available, flexible and eager to learn and apply newer statistical methodologies as this specific position may require. I have transferable skills like providing statistical support to researchers both in academia and the industry, working in highly regulated, international, multidisciplinary and academic environments, setting up, monitoring and analyzing projects that will be handy for this role. I am proficient in R, SAS and JMP statistical softwares. I would be delighted to expand my skills while at StatUa group to play a part in improving health research at the university.

Accompanying this letter is my CV which enumerates skills that are relevant for the role. I would be delighted to be considered for an interview to learn more about this position and share my motivation for working with your team.

Sincerely,

**Maaya, Leonard**
